On questions of parliamentary procedure not covered by these Bylaws, a ruling by the presiding officer shall prevail. Good conduct and civil procedure shall prevail at all meetings. The presiding officer shall be empowered to issue citations to members abusing rules of good conduct. Such citations shall be binding as any other citation.

TRANSACTIONS BETWEEN CORPORATION AND DIRECTORS OR OFFICERS

SECTION 9.01 CONTRACTS WITH DIRECTORS AND OFFICERS

The Corporation shall not be a party to any contract or transaction:

9.01(a). In which one or more of its directors or officers has a material financial interest, or;

9.01(b) With any corporation, firm, association, or other entity in which one or more directors or officers has a material financial interest, or;

9.01(c) With any corporation, firm, association, or other entity (other than another nonprofit public benefit corporation) in which one or more of its directors is a member; unless:

(i) The material facts concerning the contract or transaction and such director's or officer's financial interest of common directorship are fully disclosed in good faith and are noted in the minutes;

(ii) Before authorizing or approving the contract or transaction, the Board considers and in good faith determines after reasonable investigation that the Corporation could not obtain a more advantageous arrangement with reasonable investigation under the circumstances or that the contract or transaction implements a charitable program of the Corporation;

(iii) The Corporation enters into the contract or transaction for its own benefit;

(iv) The contract or transaction is fair and reasonable to this Corporation or implements a charitable program of the Corporation at the time the contract or transaction is entered into, and;

(v) The contract or transaction is authorized or approved in good faith by a majority of disinterested directors at the meeting, provided that majority has decision making authority under the quorum provisions of Section 5.09 of Article V.

SECTION 9.02 NO MATERIAL FINANCIAL INTEREST

A director or officer of this Corporation shall not be deemed to have a "material financial interest" in a contract or transaction that implements a charitable program of this Corporation solely because such a contract or transaction results in a benefit to a director or their families by virtue of their membership in the class of persons intended to be benefited by the charitable program of this Corporation.

SECTION 9.03 LOANS TO DIRECTORS AND OFFICERS

The Corporation shall not make any loan of money or property to or guarantee the obligation of any director or officer, unless approved by the Attorney General of the State of California; provided, however, the

Corporation may advance money to a director or officer of the Corporation for expenses reasonably anticipated to be incurred in the performance of duties of such director or officer, provided that in the absence of such advance, such director or officer would be entitled to be reimbursed for such expenses by the Corporation.

SECTION 9.04 INTERLOCKING DIRECTORATES

No contract or other transaction between the Corporation and any non-profit public benefit corporation is either void or voidable because such director(s) are present at a meeting of the Board that authorizes, approves, or ratifies the contract or transaction, if the material facts as to the transaction and as to such director's other directorship are fully disclosed to the Board, and the Board authorizes, approves, or ratifies the contract or transaction in good faith by a vote of disinterested directors at the meeting (subject to the quorum provisions of Article V), or if the contract or transaction is just and reasonable as to the Corporation at the time it is authorized, approved, or ratified.

SECTION 9.05 DUTY OF LOYALTY: CONSTRUCTION WITH ARTICLE X

Nothing in this Article shall be construed to derogate in any way from the absolute duty of loyalty that every director and officer owes to the Corporation. Furthermore, nothing in this Article shall be construed to override or amend the provisions of Article X. All conflicts between the two articles shall be resolved in favor of Article X.

ARTICLE X

INDEMNIFICATION OF DIRECTORS, OFFICERS

EMPLOYEES, AND OTHER AGENTS

SECTION 10.0 DEFINITIONS

For the purpose of this Article:

10.01(a) "Agent" means any person who is or was a director, officer, other agent of this Corporation, or is or was serving at the request of this Corporation as a director, officer, employee, or agent of another foreign or domestic Corporation, partnership, joint venture, trust or other enterprise, or was a director, officer, employee, or agent of a foreign or domestic Corporation or association that was a predecessor of this Corporation or of another enterprise at the request of the predecessor Corporation or association;

10.01(b) "Proceeding" means any threatened, pending or completed action or proceeding, whether civil, criminal, administrative or investigative; and.

10.01(c) "Expenses" includes, without limitation, all attorneys' fees, costs and other expenses incurred in the defense of any claims or proceedings against an agent by reason of his position or relationship as agent and all attorneys' fees, costs and other expenses incurred in establishing a right to indemnification under this Article.

SECTION 10.02 SUCCESSFUL DEFENSE BY AGENT

To the extent that an agent of this Corporation has been successful on the merits in the defense of any proceeding referred to in this Article, or in the defense of any claim, issue or matter therein, the agent shall be indemnified against expenses actually and reasonably incurred by the agent in connection with the claim. If an agent either settles any such claim or sustains a judgment rendered against him, then the provisions of Sections 10.03 through 10.05 shall determine whether the agent is entitled to indemnification.

SECTION 10.03 ACTIONS BROUGHT BY PERSONS OTHER THAN THE CORPORATION

Subject to the required findings to be made pursuant to Section 10.05, this Corporation shall indemnify any person who was or is a party, or is threatened to be made a party, to any proceeding other than an action brought by, or on behalf of, this Corporation, or by an officer, director or person granted related status by the Attorney General, or by the Attorney General on the grounds that the defendant director was or is engaging in self-dealing within the meaning of Section 5233 of the California Non Profit Public Benefit Corporation Law, or by the Attorney General, or a person granted related status by the Attorney General for any breach of duty relating to assets held in charitable trust, by reason of the fact that such person is or was an agent of this Corporation, for all expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with the proceeding.

SECTION 10.04 ACTION BROUGHT BY OR ON BEHALF OF THE CORPORATION

10.04(a) Claims settled out of court. If any agent settles or otherwise disposes of a threatened or pending action brought by or on behalf of this Corporation, with or without court approval, the agent shall receive no indemnification for either amounts paid pursuant to the terms of the settlement or other disposition or for any expenses incurred in defending against the proceeding unless it is settled with the approval of the Attorney General.

10.04(b) Claims and suits awarded against agent. This Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action brought by or on behalf of this Corporation, by reason of the fact that the person is or was an agent of this Corporation, for all expenses actually and reasonably incurred in the defense of that action, provided that both of the following are met:

(i) The determination of good faith conduct required by Section 10.05 must be made in the manner provided for in that Section; and

(ii) Upon application, the court in which the action was brought must determine that, in view of all of the circumstances of the case, the agent should be entitled to indemnity for the expenses incurred. If the agent is found to be so entitled, the court shall determine the appropriate amount of expenses to be reimbursed.

SECTION 10.05 DETERMINATION OF AGENT'S GOOD FAITH CONDUCT

This indemnification granted to an agent in Sections 10.03 and 10.04 above is conditioned on the following:

10.05 (a) Required standard of conduct. The agent seeking reimbursement must be found, in the manner provided below, to have acted in good faith, in a manner he believed to be in the best interest of this Corporation and with such care, including reasonable inquiry, as an ordinarily prudent person in a like position would use in similar circumstances. The termination of any proceeding by judgment, order, settlement, conviction or on a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in the best interest of this Corporation or that he had reasonable cause to believe that his conduct was unlawful. In the case of a criminal proceeding, the person must have had no reasonable cause to believe that his conduct was unlawful.

10.05(b) Manner of determination of good faith conduct. The determination that the agent did not act in a manner complying with Section 10.05(a) shall be made by:

(i) the Board by a majority vote of a quorum consisting of directors who are not parties to the proceeding; or

(ii) the court in which the proceeding is or was pending. Such determination may be made on application brought by this Corporation or the agent or the attorney or other person rendering a defense to the agent, whether or not the application by the agent, attorney or other person is opposed by this Corporation.

SECTION 10.06 LIMITATIONS

No indemnification or advance shall be made under this Article, except as provided in Sections 10.02 or 10.05(b) (ii), in any circumstance when it appears that:

10.06(a) The indemnification or advance would be inconsistent with a provision of the Articles of these Bylaws, a resolution of the members or an agreement in effect at the time of the accrual of the alleged cause of action asserted in the proceeding in which the expenses were incurred or other amounts were paid, which prohibits or otherwise limits indemnification; or

10.06(b) The indemnification would be inconsistent with any condition expressly imposed by a court in approving a settlement.

SECTION 10.07 ADVANCE OF EXPENSES

Expenses incurred in defending any proceeding may be advanced by this Corporation before the final disposition of the proceeding on receipt of an undertaking by or on behalf of the agent to repay the amount of the advance unless it is determined ultimately that the agent is entitled to be indemnified as authorized in this Article.

SECTION 10.08 CONTRACTUAL RIGHTS OF NONDIRECTORS AND NONOFFICERS

Nothing contained in this Article shall affect any right to indemnification to which persons, who are other than directors and officers of this Corporation or any subsidiary hereof, may be entitled by contract or otherwise.

SECTION 10.09 INSURANCE

The Board may adopt a resolution authorizing the purchase and maintenance of insurance on behalf of any agent of the Corporation, as deemed in this Article X, against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether this Corporation would have the power to indemnify the agent against that liability under the provisions of this Article X.

No later than the time the Corporation gives its annual report, if any, and in any event no later than 120 days after the close of the Corporation's accounting year, the Corporation shall prepare and mail or deliver to each director a statement of the amount and circumstances of any transaction or indemnification of the following kind:

11.04(a) Each transaction, involving more than \$50,000 or which was one of a number of transactions with the same person involving in the aggregate more than \$50,000, in which the Corporation, its parent or its subsidiary was a party, and in which either of the following had a direct or indirect financial interest:

(i) Any director or officer of the Corporation, its parent or subsidiary (a mere common

directorship shall not be considered such an interest); or

(ii) Any holder of more than 10% of the voting power of the Corporation, its parent or its subsidiary.

11.04(b) Any indemnification or advances aggregating more than \$10,000 paid during the fiscal year to any officer or director of the Corporation pursuant to Article X hereof, unless such indemnification has already been approved by the directors pursuant to Section 10.05(b)(ii).

SECTION 11.05 CORPORATE SEAL

The Corporate seal shall be kept at the principal office of the Corporation. Failure to affix the seal to corporate instruments, however, shall not affect the validity of any such instrument.

The Board may accept on behalf of the Corporation any contribution, gift, bequest, or devise for the charitable, educational, or public purposes of this Corporation.

ARTICLE XII

The welfare, appearance, and betterment of the Garden property of the Corporation take precedence over the holding of any member's assigned plots, community area, or independent project. Therefore, the Board reserves the exclusive right of eminent domain over any area within the bounds of the Corporation's garden property. This may result in the taking of any member's assigned individual plots, community area, or independent project by the Corporation if the Board determines it is in the best interest of the Corporation. Any member affected by the Board's exercise of eminent domain rights shall be given the right of relocation where possible or reasonable compensation for destroyed plants.
